SCC SECTION CORNER CERTIFICATES
Recording Fee: \$ 7.00
Shirley Troyna, Recorder, Chickasaw County Iowa

Prepared By: Ryland R. Benzing, P.L.S. #22572 Benzing Surveying, LLC 808 5th Ave. SW Waukon, Iowa 52172 Phone: (563) 568-2136

UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE	
OF	
Land Survey Monuments situated in Section	
14 West, of the Fifth Principal Meridian,ChickasawCounty, Iowa.	.
Previously recorded in	
(book, page, document number, etc.)  (Show reason for preparing this certificate, the evidence and detailed procedures used in establishing the corner positions and monumentation found or placed.)  Monument Description and Remarks:  1) Southeast Corner Section 32	
Found mag nail at the location as shown in field note ties found in the Chickasaw County Engineer's Office. These notes show a Iron Pin was set midway between fences on 7–26–1956 and has been re-tied multiple times since. The latest stating a PK had been set in Asphamat August of 2002. We found three of the county ties that fit reasonably well and established one additional tie. We accepted this location as the monument for the corner.	alt
2) East—Southeast Eighth Corner Section 32 Computed a location at the midpoint of the east line of the SE1/4 or Section 32. Searched 15' radius area with a magnetic locator, be found nothing. We were able to locate two ties from the field note ties (dated 8–2002) found in the Chickasaw County Engineer's Office. These ties fit reasonably well, but the corner monument in the notes was labeled 'for construction only' We set a mag nail with stainless steel washer PLS No. 22572 at the computed location.	
PLAN - VIEW	
(Show a minimum of three reference ties to durable physical objects, relevant monuments and physical conditions that will enable recovery of the come	r.)
