Prepared by: Erdman Engineering, P.C., 708 Commerce Drive ,P.O. Box 246, Decorah, Iowa, (563)382-4194 UNITED STATES PUBLIC LAND SURVEY CORNER CERTIFICATE 97N 12W Land Survey Monuments situated in Section Township North, Range West, of Chickasaw does not apply County, Iowa, Previously recorded in in the the Fifth Principal Meridian, County Recorder's Office. Monument Description and Remarks: This certificate is prepared in accordance with Section 355.11 of the Code of Iowa. No previous certificates have been filed for these corner locations. W 1/8 Corner: We found no record of the W & Corner being set. We found no evidence of a monument in the field other than an existing fence corner with a fence line running south and remnants of a fence running east and west. We used the fence corner as the W/4 Corner of Section 36, Township 97 North, Range 12 West. We set a ½ " diameter steet bar with 1 ½" aluminum cap #11442 on the northwest side of the post. Center Section: Chickesaw County Engineer's Reference Ties show that a stone was found in 1928 and an iron pln was placed. We searched for the tie markers previously set. We did not find any as they appear to have been removed when County Road Right-of-Way widened. We made a magnetic locator search of an approximate 20 diameter area at the centerline of the county and on the extension of the fence line from the west for the iron pin. We did not find the monument as it appears to have been removed when county road was extended to the south. We found the W & Corner, N & Corner and the S 1/2 Corner. We set the W 1/2 Corner. We set a 1/2" diameter steel bar with 1 1/2" aluminum cap #11442 a the intersection of the line from the W 1/4. through the W 1/4 and the N 1/4 to the S 1/4 Corner as the Center of Section 36, Township 97 North, Range 12 West. PLAN-VIEW (NOT TO SCALE) W 1/8 CORNER Center Section Existing fence corner. Set 1/3" diameter steel bar with 1½" aluminum cap ∰11442 Set X diameter steel bar with 1½" aluminum cop #11442 on northwest side of post.
