United States Public Land Survey Corner Certificate of

Land Survey Monuments situated in Section, 15 Township, 95 Ronge, 12 of the Fifth Principle Meridian, Chickasaw County, lowa. Previously recorded in does not apply in County Recorders Office.

Monument Description and Remarks: This certificate is prepared in accordance with Section 355.11 of the 1995 Code of lows. No previous certificate has been filed for this corner location. We found no record of the Center Section Corner being set. We found no evidence of the corner in field other than the existing centerline of the county road. Based on this we set the W 1/8 Corner and found the E 1/4 Corner, the N 1/8 Corner, and the S 1/4 Corner. Based on these corners we computed the position of the intersection of the north-south and east-west line as the theoretical location of the Center Section. This location fell 5.3' east of the centerline of the county road. Based this we set a 1/2" bar w/cap lowa RLS \$11442 on line between the W 1/8 Corner and the E 1/4 at center of the 66' County right-of-way, at the Center Section of Section 15, Township 95 North, Range 12 West.

Plan-View

I hereby certify that the survey work was completed
and this certificate was prepared by me or under m
direct supervision and that I am a duly registered
land surveyor under the laws of the State of lawa.

Signature Lindsay Erdman, P.E. and L.S.
